~ Precious Friends ~

while
but you were such a
teacher that I
changed my
soap, you showed me
we could learn to
share in
time
style —
You said that I could do it
you said it, I did it
and after that the rest was
you and me and Rockefeller
I'll
I'll —
keep
plug-ging
on
fine —
I love the way you make my
days
in so man-y
way —
Your face will
shine
through all our
tears
And
yes!
your face
will shine —
through
all our
tears
And

Let's lift our voices
the world rejoices in a
Song
that we
sing to-geth-er
Pre-cious
when we
sing a-nother little
vic-tor-y
song
Pre-cious
when we
sing a-nother little
vic-tor-y
song
Pre- cious
friend, you will be
there
sing-ing in har-mo-ny
Pre-cious
friend you will be
friend, you will be
there
sing-ing in har-mo-ny
Pre-cious
friend, you will be
friend, you will be
there
singing in har-mo-ny
Pre-cious
friend, you will be
there
there
there
